

Daryl V. Young, Jr.

Summary

Teaching has been a culmination of all my experiences and beliefs. I will teach to enlighten minds and dispel ignorance. I will teach language, culture, and free thought. These are the ideals I stand for, and these are the ideals I will instill into my students, to help them create a better tomorrow for themselves

Relevant Courses

- **SLT 103- Language Teaching:** Introduces the post-method viewpoint of teaching in the classroom. The course begins by identifying student intuitions and insights about language teaching.
- **SLT 203- Integrating Content and Second Language Teaching:** introduces students to strategies for using content to facilitate second language development.
- **SLT 290- Assessment and SLT:** Introduces students to strategies for using assessment to facilitate second language development.
- **SLS 302 Second Language Learning:** Theoretical foundations for the learning and teaching of second/foreign languages. Includes an emphasis on instruction in writing.
- **SLS 303 Second Language Teaching:** Survey of methodology; basic concepts and practices.
- **SLS 490 Second Language Testing:** Measurement and evaluation of achievement and proficiency in second language learning.
